

Inspiring a life-long love of dance

Student and Parent Handbook

This handbook states all of the Family Museum Dance policies and procedures for the year. Please keep this in a safe place so that you can refer to it as questions arise.

REGISTRATION POLICIES:

Registration is on first come first serve basis and accepted by mail-in only. There is a \$15 non-refundable registration fee per student due at the time of registration. Registration of a student is a full year agreement. Please know that we try to accommodate as many dancers in as many classes as we can, but because of space, time, and staff limitations, we cannot accommodate everyone in every style of dance. If your child is placed on a wait list, we do add new students to classes through December as space becomes available. Returning students on a wait list will be given priority registration for the following year.

TUITION POLICIES:

All tuition fees and payments for classes attended are non-refundable. You may choose to pay your dance fees automatically and be billed on the day of your choice each month. Please indicate the automatic monthly billing choice of payment on your registration form. If you choose automatic billing, the \$10 processing fee is waived. Please be sure that you include the 3 digit security code from the back of your credit card, and be sure that your credit card does not expire before the end of the school year. To be billed in monthly installments without automatic billing, there will be a one-time service charge of \$10 per family to cover mailing and processing. If you do not choose monthly billing, your tuition will be billed in two installments, due on September 1 and February 1. Please note that Monday classes meet less frequently because of holidays – your bill will reflect the prorated rate. Please note that the production fees are billed separately, and will be due mid-October. If you choose automatic billing, your credit card will be charged automatically for your production fees.

SPRING PRODUCTION:

The annual Spring Production is an opportunity for all students in our program to display, in a performance setting, what they have been learning during the year. Performing is an integral part of a student's training and we encourage participation. Production fees cover the cost of costumes and theater fees for our year end performances.

- There is a production fee of \$65/class for PreBallet 1 & 2; Ballet 1 & 2; Tap 1 & 2
- There is a production fee of \$75/class for Ballet 3 & higher, Tap 3 & higher; all levels of Jazz, Hip Hop & Modern.
- NO FEE: Creative Movement, Pre-Pointe, or Pointe (these classes do not participate in spring production)

PLACEMENT:

When placing students in a level, the Family Museum dance staff look at each dancer individually to determine in which class we feel your dancer will be most successful. While we do have some age guidelines for beginning each style of dance, placement in each level of our program is determined by assessing your child's ability as compared to our curriculum, the quality of your child's technique, and preparedness for the next level. The Family Museum's class levels do not necessarily match other dance schools in the area. As children progress physically at different rates, it is not uncommon to have children of different ages in different levels. This is especially true for those who dance more frequently. The majority of our classes are designed to be repeated for a minimum of two years, so being placed in the same level for more than one year is not unusual. Family Museum dance staff welcome discussion with parents/guardians regarding a student's placement and progress. If you would like discuss your child's placement with your teacher, please call 563-344-4151 to set up an appointment.

Family Museum Dance staff will evaluate students based off of a set of leveled standards during March of each school year. Advancement in levels will be the decision of the faculty and staff, based upon the dancer's ability to be successful in the next class level. All placements are final and are made to provide students with the best chance for success and with the safety of the dancer in mind. If a recommended class does not work with your schedule, you may opt to enroll in a class at a lower level. For safety reasons, dancers may not enroll in classes at a higher level than recommended.

POINTE:

Enrollment in Pre-Pointe or Pointe classes is by invitation only. Students will be placed on pointe after careful evaluation of strength in the legs, feet, ankles, hip-rotation, abdominals and back. Before students can safely go on pointe, they must be enrolled in a minimum of two ballet technique classes per week. They also must have reached the Ballet 4 level or higher, with proficiency in their technique and strength in the legs, ankles and core of the torso.

ATTENDANCE:

Students are expected to attend all of their classes and to be punctual. Consistency is essential for the dancer's progress. Proper muscle warm-up is necessary to prevent injury. If a student arrives 10 to 15 minutes late to class they may be asked to sit and observe. Please notify your teacher if absences are necessary. Dancers with less than a 75% attendance rate for the year will not be allowed to advance to the next level.

DRESS CODE:

Dancers not in proper dress code or without proper footwear may be required to sit out of class for safety reasons. Please do not send your dancer to class in a costume. Hair for all dancers must be pulled into a ponytail, braid, or bun. Short hair must be pulled off face with barrettes or headband. Dancers in Ballet 3 and higher are required to wear their hair in a bun. No excessive jewelry. Small earrings and necklaces are fine, but please leave large, dangling jewelry at home.

PARENT OBSERVATION:

During the Fall & Spring there will be a Parent Observation Week. Parents are invited into the studio to watch their child's class. To minimize distractions, we ask that parents (without siblings and friends) watch the entire class. See separate calendar for dates.

PARENT CONFERENCES:

If you have any concerns or questions about your child's dance class, progress, college guidance, summer workshop, etc., please call or schedule an appointment with our dance staff. We care very much about your child's progress and future in dance. If a conference is desired, parents can make an appointment to meet with the dance staff by calling 563-344-4151.

SAFETY AND PICK UP PROCEDURES:

Please note that the Family Museum exhibit galleries close at 8 PM Monday through Thursday. The Museum's main entrance doors will remain unlocked until 8 PM each evening for entry to class. Parents arriving for pick up of classes that finish after 8pm, must enter the building before the doors lock at 8pm. All dancers and parents must stop at the Welcome Desk to let the Visitor Services Staff know they are here for dance class or to pick up a dancer. Admission to drop-in programs and the exhibit gallery is not included in your dance class tuition. If you would like to participate in a drop-in program or visit the exhibits before or after your dance class, please show your Museum membership card or pay the admission fee at the Welcome Desk. Dancers under age 10 who are being dropped-off for a dance class must be escorted to the dance studios by a parent or guardian. Dancers under age 10 who are being picked-up from dance class will not be allowed to walk to the front of the Museum alone. A parent/guardian must meet the dancer at the studio door. Prompt retrieval of your child is appreciated. Dancers age 10 & up are allowed to walk to the front of the Museum alone, and will be allowed to exit the building to meet parents in the parking lot. Please let your teacher know if someone other than a parent or guardian will be taking your child home. Students should wear cover-ups and street shoes when coming to and from the studio. Students are not allowed in the studio without the permission of an instructor.

TEACHER-STUDENT CONTACT:

In teaching the art of ballet, as well as other dance disciplines offered by the Family Museum, it is entirely appropriate for a teacher to put their hands on a student to correct the student's posture, the physical line or position of the student's body or part of his/her body, or to help a student hold a position. The Family Museum does not tolerate any teacher-student contact that is harmful or inappropriate. In enrolling their child in the Family Museum, parents acknowledge that it is Family Museum Dance Program practice to correct students with physical contact.

STUDENT CONDUCT:

The Family Museum is committed to maintaining a healthy environment that allows all students to participate in and fully enjoy their dance training. By enrolling in the Family Museum Dance Program, parents and students agree to abide by the following codes of conduct:

All students will be courteous and respectful to one another, to their teachers and other dancers. The Family Museum dance staff will address concerns with any student whose attitude, discipline or overall conduct is unsatisfactory. Students will promptly report any injury or illness that occurs while they are at the Family Museum to their teacher. Students will arrive and leave the museum with appropriate clothing covering their dancewear. Students will be responsible for their own belongings. No valuables should be left unattended outside of the studios. Students may eat or drink in the hallway being mindful to clean up trash and/or crumbs. Water bottles may be brought into the dance studios, but no other food or drink is allowed.

WEATHER POLICY AND SNOW DAYS:

This year we have included one snow day per class day into our schedule for which you have not been charged. Any additional snow days will not be made up. Please refer to local media sources regarding Bettendorf Schools' cancellations. We will also publicize our cancellations by 8 a.m. on our website's main page – www.familymuseum.org.

- If inclement weather conditions in the morning cause Bettendorf Schools to cancel classes for the day, all dance programs scheduled at the Family Museum for the day will be cancelled.
- If inclement weather conditions in the morning cause Bettendorf Schools to delay the start of classes, dance programs will take place at their usually scheduled times.
- If inclement weather conditions that develop during the day cause Bettendorf Schools to release early and cancel evening activities, dance programs for the evening will be cancelled.
- If inclement weather conditions develop after 2 p.m. or the regular release time for Bettendorf Schools, a decision regarding dance programs will be made based on existing or forecast conditions. This decision will be publicized by 3 p.m.
